2012 priceguide

In an effort to simplify this price guide as much as possible, I have included five packages for your consideration. If, however, you find that there is no package that suits your needs, please contact me for a custom quote. The packages listed below are for weddings that take place within 65 miles from Newark, DE. For all other areas, please contact me for a custom quote. I love to travel and would be happy to travel to your wedding!

Ordering Prints

Your wedding images will be displayed in an online gallery that can be easily shared with friends and family. Images can be purchased directly out of the gallery. I keep my print prices low for one reason: I want you to have professional quality prints! I highly encourage my clients to purchase prints from their online gallery so that their prints come from a professional lab. Please ask to see samples of prints.
